

BRIGHTWATER GROUP VISION

Brightwater Group consists of a range of companies operating throughout Australasia with a shared vision for excellence and results. We pride ourselves on our history of delivering world-class engineering and project management expertise to our clients.

As a group we all share the same desire to provide our clients with seamless turnkey engineering solutions that deliver the best possible outcomes and incorporate the best possible global standards in engineering and technology.

Individually, each of the companies that make up the group provides industry-leading expertise in their particular field.

Brightwater Engineers Ltd

Manufacturing and turnkey project management

Brightwater Meo

Electrical and mechanical engineering and turnkey project management

SCS

Aggregate crushing and screening technologies and process manufacturing

Fulghum Ltd
