

**BANZ Webinar Programme 2011-2012
- Recordings**

www.bioenergy.org.nz

BANZ is pleased to present the following webinar recordings

Access	Month / Date	General Bioenergy	Biogas	Wood Fuel / Wood Pellets	Liquid Biofuel
Open to all	15 December 2011		Large Scale Biogas production in liquid biofuel related industries in Asia, Australia and Europe. Jurgen Thiele, CPG		
Member Only Access	7 February 2012				Transport fuel from lignocellulosics by 2040 – how achievable is it? Jim Lane, Biofuels Digest

Webinar Access

Some BANZ webinars will be for free and so access is ‘open to all’, other webinars will be for Member’s Only. If you would like to see a Member’s Only Webinar, click on the link for that specific webinar and you will be taken to the BANZ Member’s Only Area. Here, after logging in, you will be able to find the recorded Webinar Session.

Forthcoming Webinars

Details of planned webinars are available [here](#). If you have suggestions for topics or speakers contact us at events@bioenergy.org.nz
