

## BANZ MEMBERSHIP CATEGORIES

The Bioenergy Association of New Zealand (BANZ) has been established to promote and coordinate the development of a bioenergy industry in New Zealand including wood energy, liquid biofuels and biogas. The Association provides specific assistance to individual members with a business based on bioenergy production and utilisation, a central focus point for liaison with Government agencies, the dissemination of information amongst the industry, and long-term positioning of bioenergy into New Zealand's energy system.

Members include anyone with a commercial interest in bioenergy – forest owners; feedstock, liquid biofuel, and wood fuel producers; wood processors; energy suppliers; energy researchers; consultants; equipment manufacturers and investors.
