<p>Name: RCR Energy Contact: Phillip Gedye, Business Devel. & Marketing Manager Web-site: http://www.rcrtom.com.au/our-businesses/rcr-energy/rcr-energy e-mail: philip.gedye@rcrtom.com.au Phone: NZ +64 (0) 6 873 8838</p>	
<p>The focus on more efficient use of diminishing fossil fuels is increasing. This has led to renewed interest in thermally efficient products, upgrades and services and has prompted switching to alternative green fuels such as biomass and waste materials.</p> <p>RCR Energy is an integrated business unit of RCR Tomlinson group. It provides energy plant and services to industrial and power plant clients and has a rich history. Formed by combining the resources and proud heritages of 3 great boiler companies (Easteel, Tomlinson Boilers and John Thompson Package Boilers).</p> <p>RCR Energy is a leader in the turnkey provision of industrial heat and power plants, specialising in the design, manufacture, supply, construction and servicing of energy systems for any fuel or heat transfer media.</p> <p>With full capability service and project teams in New Zealand and Australia and a wealth of experience, RCR Energy has the ability to handle your next project.</p>	<p>Core Skill(s) / Product Offered</p>
