**Member profiles**

All Bioenergy Association members are required to adhere to the Association's [Code of Conduct and Policies and Procedures](#). Failure to comply may result in membership suspension or cancellation. Payment of the membership fee signifies your agreement to abide by these standards.

Association members receive a free listing on the [Contact an Expert](#) page of the Bioenergy Association website. Member details are also displayed on their chosen Interest Group website, based on their membership level.

Being a member signals to potential customers and industry stakeholders that you stay up to date with best practice and operate under the oversight of an independent body. The Bioenergy Association actively promotes its members to showcase the expertise and capabilities within the industry.

Listing formats vary by membership level. Examples of category profiles can be found in the information sheet [www.bioenergy.org.nz/resource/becoming-a-banz-member](http://www.bioenergy.org.nz/resource/becoming-a-banz-member).
