Member profiles

All members of the Bioenergy Association must abide by its [Code of Conduct](#) failure to do so may be a basis for suspending or cancelling membership

Members of the Association obtain free listing on the Contact an Expert Directory on the main Association website www.bioenergy.org.nz/contact-expert. Member’s details are also listed on the Interest Group website of their choice according to their level of membership.

Membership indicates to potential customers and others that the member is keeping up to date with best practice and their performance is subject to oversight by an independent body.

Bioenergy Association profiles its members at every opportunity as this is one way of demonstrating the competence and capabilities of the industry. It also only promotes members by distinguishing the quality of performance of members from non-members. The format for listing is dependent on the level of membership.

Examples of category profiles are set out in the information sheet www.bioenergy.org.nz/resource/becoming-a-banz-member.
