Australian Pulp and Paper Industry Technical Association (APPITA)

<http://appita.com>

Appita is the not-for-profit association serving the Australian and New Zealand pulp and paper industry. Appita's mission, in part, is to

- advance and promote innovation and manufacturing best practice across the forest products, pulp, paper and packaging value chain, including new biomass-derived products.
- lead the development and transfer of technical information and best practices fundamental to the industry and build strong relationships with industry stakeholders across the supply chain
- drive the interchange of information across the industry supply chain through effective networking
