
Bioenergy Association Partners and Affiliates

Affiliates

Bioenergy Association has affiliation with a number of organisations with a strong interest in bioenergy. We work closely with these affiliates sharing events and activities, etc.

NZBIO

www.nzbio.org.nz

NZBIO is the national peak body representing the bioscience based industries of New Zealand. In 2008, a deliberate move towards the emerging international dialogue on referring to a bioeconomy was adopted, with NZBIO now operating under the tagline “Creating a Sustainable Bio-economy in New Zealand”.
