
Bioenergy Association Partners and Affiliates

Affiliates

Bioenergy Association has affiliation with a number of organisations with a strong interest in bioenergy. We work closely with these affiliates sharing events and activities, etc.

New Zealand Home Heating Association (NZHHA)

www.nzhha.co.nz

The New Zealand Home Heating Association is a trade organisation, comprising most of NZ's leading manufacturers, retailers and

installers of domestic wood burning appliances. The Association is dedicated to providing professional services and advice to its members and their customers.
